EXPERIENCE

New Jersey Association of Student Councils, NJ — *Executive Board Vice President*

January 2016 - January 2017

As Vice President I preside in the President's absence or leave of office, handle elections and public relations. I also serve one year term as an ex-officio member on NJASC Board of Trustees. I attended a 3 day Regional convention in Manchester, Maryland in April 2016 for the state student councils of NJ, PA, NY, DE, & MD. I also attended the 2016 NASC (National Association of Student Councils) national conference in Portland, Oregon. A special project I began through my term is the building of the social media footprint of the organization. I built up the Instagram and my posts received record high interaction compared to past years. I also created the first Snapchat for the organization in which I brought in over 200 students to actively follow and interact with within a week during our statewide LTC(Leadership Training Conference).

Beach Buggies, Margate, NJ — *Marketing Intern & Dispatch*

Summers of 2015 & 2016

I have many roles in this company. I am responsible to maintain and actively post on all social media accounts. I also design, create, and send email-based newsletter to subscribers weekly. I am part of the driver fleet, but my main job is to dispatch drivers on busy nights. Dispatching entails active communication with customers and with drivers, familiarity with the reservation system, and strategic planning in order to provide safe trips with the least distance. Least distance helps preserve battery in the Buggies and quicker rides.

SPECIAL PROJECTS

Run For Your Cause 5k — *Detail*

I conceived, organized, and executed an inaugural event that will become an annual fundraiser for the American Cancer Society. Responsible for coordinating all race components. Managed participant registration data, registration fees, produced and maintained race website and social media accounts, t-shirt design and purchase, timing of race, and more. Founded and organized event from the ground up. Raised \$1858 in the first annual event (2015), \$3300 in the second annual event (2016), and \$5,700 in 2017 for a total of \$10,858 in the first three years.
